

The Mustard Seed Community Centre is now offering Advocate Services in The Health & Wellness Centre!

Services Offered:

- Intakes – introduction and referrals to Mustard Seed Services
- Government Issued ID's and assistance with other ID
- Alberta Works
- Referrals for tax completion and calls to CRA
- Referrals to Community Organizations
- Birth Certificate Applications
- Housing/Employment referrals
- Mental Health Referrals and Supports
- Referral to treatment for Addiction issues
- Alberta Adult Health Benefits
- General information, guidance, and support

Services are currently offered by appointment only. To book an appointment, please fax in the following referral form to refer a client or speak to any staff member while picking up breakfast. Masks are required while in appointment.

Within the next few months, services in The Health & Wellness Centre will expand to include occupational therapy focusing predominantly on equipment prescription and cognitive assessment, as well as mental health counselling with a focus on trauma. There will be no limit on the number of sessions provided with all services provided for free. We will begin taking referrals for these services but cannot guarantee when they will begin, so please do not utilize referral to them for emergency situations.
